Expected Format

1 poule then complete Direct Elimination of all fencers. (The poules are expected to be 6 or 7 fencers.)

Pupille Poules to 4 hits, bouts 3 minutes maximum - Direct Elimination to 6 Hits, bouts 4 minutes maximum

Benjamin Poules to 4 hits, bouts 3 minutes maximum - Direct Elimination to 8 Hits, bouts 2 sessions of 2 minutes with a thirteen seconds break maximum

Minime Poules to 5 hits, bouts 3 minutes maximum - Direct Elimination to 10 Hits, bouts 2 sessions of 3 minutes with a one minute break maximum.

Blade Sizes Foil & Épée

Regarding blade sizes. Minimes can fence with size 3 foils but they'll be much better off with size 5 as the size difference is significant. In France they use size 5. For the Benjamins Size 3 would be OK as there's not much difference with size 2. For the Pupilles Size 0.
